### MRS. BECKLEY

Is the President of our College. She has a friendly and charming personality that is felt by all with whom she comes in contact. Her acquaintance should be sought by all, for her motherly regard would be treasured. She is a very capable woman and by her initiative and leadership no aim is too high to accomplish.

BECKLEY COLLEGE

DEAN SMITH

THE Dean of Aviation and Dean of Men is known and respected by all. His favorite pastime is talking about a little town over the hill by the name of Dillsburg. There is not a proposition in Business Administration but that the Dean can give a concrete example from his home town. He is untiring in activities and is greatly interested in aviation. The Dean is a humorist and takes great delight in studying the different types of students.

PROFESSOR BRUNSTETTER, Assistant Dean of Men, is always deeply engrossed in work. Although reserved, quiet, sincere, and serious, he always finds time to lend a helping hand. His many lectures are beneficial and should be remembered for the good of all. He has won the admiration of everyone.

PAUL L. BRUNSTETTER

DR. C. H. GORDINIER

WE feel unusually fortunate in having on our staff a man of Dr. Gordinier's educational experience, because he ranks in Pennsylvania among the most notable of educators. He came to us from Millersville State Teachers' College, having served as President of that institution for a number of years. He is therefore held in the greatest esteem by hundreds of teachers all over Pennsylvania who have been developed through his skilful training.

**P**ROFESSOR EBY, who is Director of Education, is an important factor in Beckley College. He is head of the Accountancy Department, and because of his congenial personality has won many friends among the student body. Professor Eby is ever ready to assist and his wit and humor crop out when least expected.

A. J. EBY

CHARLES GRUBER

**T**HIS is the instructor in Mathematics, Physics, Surveying, and Economics. Before coming to Beckley College he taught at Gettysburg College. He expresses his sound, basic principles with a forcefulness that cannot be underestimated.

**M**R. BODY is a graduate of Kelly Field Army Cadet School and has worked as an instructor at Langley Field, Virginia, for several years. He has had broad experience in commercial aviation.

ANDREW M. BODY

# 1930 PHOENICIAN

## W. R. BARLEY

Mr. Barley, a licensed mechanic and instructor, is a veteran of the World War, and as such, deserves special mention, although his other achievements have been numerous. He is a graduate of Drexel Institute, a specialist in theory and principle of air-cooled motors.

## I. K. ROBB

Although very quiet, all you have to do is to become acquainted with Mr. Robb and we know you will like him. He is a graduate of Gettysburg College and formerly taught at Irving College.

## GEORGE A. SNELL

Biff! Bam! Crash! Don't get excited—it's just Coach Snell giving one of his talks at Fahnestock Hall and instilling courage into the hearts of his "huskies." His talks are well liked and it would be well for the student body to copy his enthusiastic spirit. He hails from Penn State.

## CAPT. MARTIN JENSEN

This famous holder of world records has proved a good friend, as well as a most valuable addition to our teaching force in Aeronautics.

#### MR. HESSENBERGER

Mr. Hessenberger is connected with the Administration of Beckley College. He does his best to promote activities in College in the way of issuing activity slips. Even though this is his first year with Beckley College, he is quite popular.

#### RENE MILLER

Upon entering the College office, the first smiling face you see will be none other than that of Miss Miller. Her specialty seems to be issuing "check outs" to the dormitory girls who very much appreciate her cooperation. She is a friend to us all, and we will miss her smile next year.

#### MARGARET M. MAURER

Typing is the subject and 3-A is the room. If you haven't taken typing, then you have missed the understanding friendship and helpful advice of Mrs. Maurer. Liked by all, Mrs. Maurer is a real friend.

#### HENRY H. HALL

Before joining Beckley College Faculty, Mr. Hall was an instructor at Mercersburg Academy, one of the finest preparatory schools in America. Thus, with such fine experience, Mr. Hall has become a member of our teaching corps.

### BESSIE S. BOONE

Mrs. Boone, who is Director of the Placement Bureau, holds a position of much responsibility. She directs the securing of positions for the students, and must determine which students need the work most and which are most capable. This is handled unerringly by Mrs. Boone. She is not only popular among the student body but is well known in Harrisburg and vicinity. She is a graduate of the Commercial Department of Louisville Normal School, Kentucky. We all value such a friend.

### ELIZABETH M. DOWHOUER

Did you say Shorthand? Yes, indeed, Mrs. Dowhouer knows every little rule and character. Her smile is like a guiding light and her patience is unsurpassed. Best wishes, Mrs. Dowhouer, for many more successful secretaries.

### MRS. HENDRIAN

Coming to us after the beginning of the fall term, Mrs. Hendrian has made scores of friends in that short time through her association with the Placement Bureau.

### MRS. TROUTMAN

Mrs. Troutman is a Matron at the Dormitories. Her loving disposition and motherly ways have won her a place in the hearts of all the girls, but then the boys of Kingsley must not be forgotten, for they, too, are greatly devoted to Mrs. Troutman.

### WILLIAM J. SMITH

A graduate of last year's class, Mr. Smith has started on the road to success. His achievements of last year, we know, are only stepping-stones for his future. He is at present affiliated with the Registration Department of the College.

### J. R. McCARTY

Mr. McCarty has rendered valuable service in commercial aviation and is an expert in airport management. His executive ability and willingness to cooperate have won him many friends.

### HOWARD J. HUEGEL, JR.

Possessed of unusual professional business ability, Mr. Huegel is making a big success as an important link in the Registration Department of Beckley College. We thank him for his willing help which he cheerfully offered at all times.

### HOMER L. KRIDER

Mr. Krider is a graduate of Dickinson Law School. He is our instructor in Political Science and Commercial Law, and also practices law. His students certainly sit up and listen when in his class, for if they do not they regret it. He acquaints them with the leading topics of the day, and they also make many visits to the Capitol. He is very frank but is very interesting.

### EARL KUNKLE

A real sport and pal is our Mr. Kunkle. He is liked by all and has promoted several interesting activities. He is a graduate of Penn State and teaches the Engineers.

### WALTER A. HOFFMAN

The first Pilot and Aeronautics Instructor in Beckley College. This Beckley graduate gained fame abroad and then came back to share it with his Alma Mater.

### MR. RICE

Mr. Rice came to teach us in the second half of last year. Since then he has become a friend to us all and a willing helper in all our struggles through mathematics.

## 1930 PHOENICIAN

### ALTON EATON

This young man is just another record-breaker on our staff. He is good-natured and efficient, and we can imagine that he is, also, an ideal husband.

### HAROLD BACHMAN

Besides being an excellent instructor and pilot, Mr. Bachman is an inventor. Welcome to our ranks!

### EL HOFFMAN

Mr. Hoffman is one of the newer members of the Administration. We wish to extend a hearty welcome to him.

BECKLEY COLLEGE

## 1930 PHOENICIAN

### FLORENCE PROWELL

Miss Prowell is a graduate of our Alma Mater. She is one of the efficient helpers in the office. Being of a patient and tireless temperament, she is liked by all who have had the good luck of knowing her.

### MRS. ISENBERG

Mrs. Isenberg is one of the Matrons of the Girls' Dormitories, and her advice is sought by all the girls. Her remedies for the sick are unequalled, and her patience in administering help is certainly appreciated by those "under her wing."

### LOUISE F. BAILEY

Here is a lass who is often seen passing from room to room and always has a smile or a kind word for those whom she meets. She was graduated from our Alma Mater in 1928 and since has been working in the College office.

BECKLEY COLLEGE

1930 PHOENIXIAN

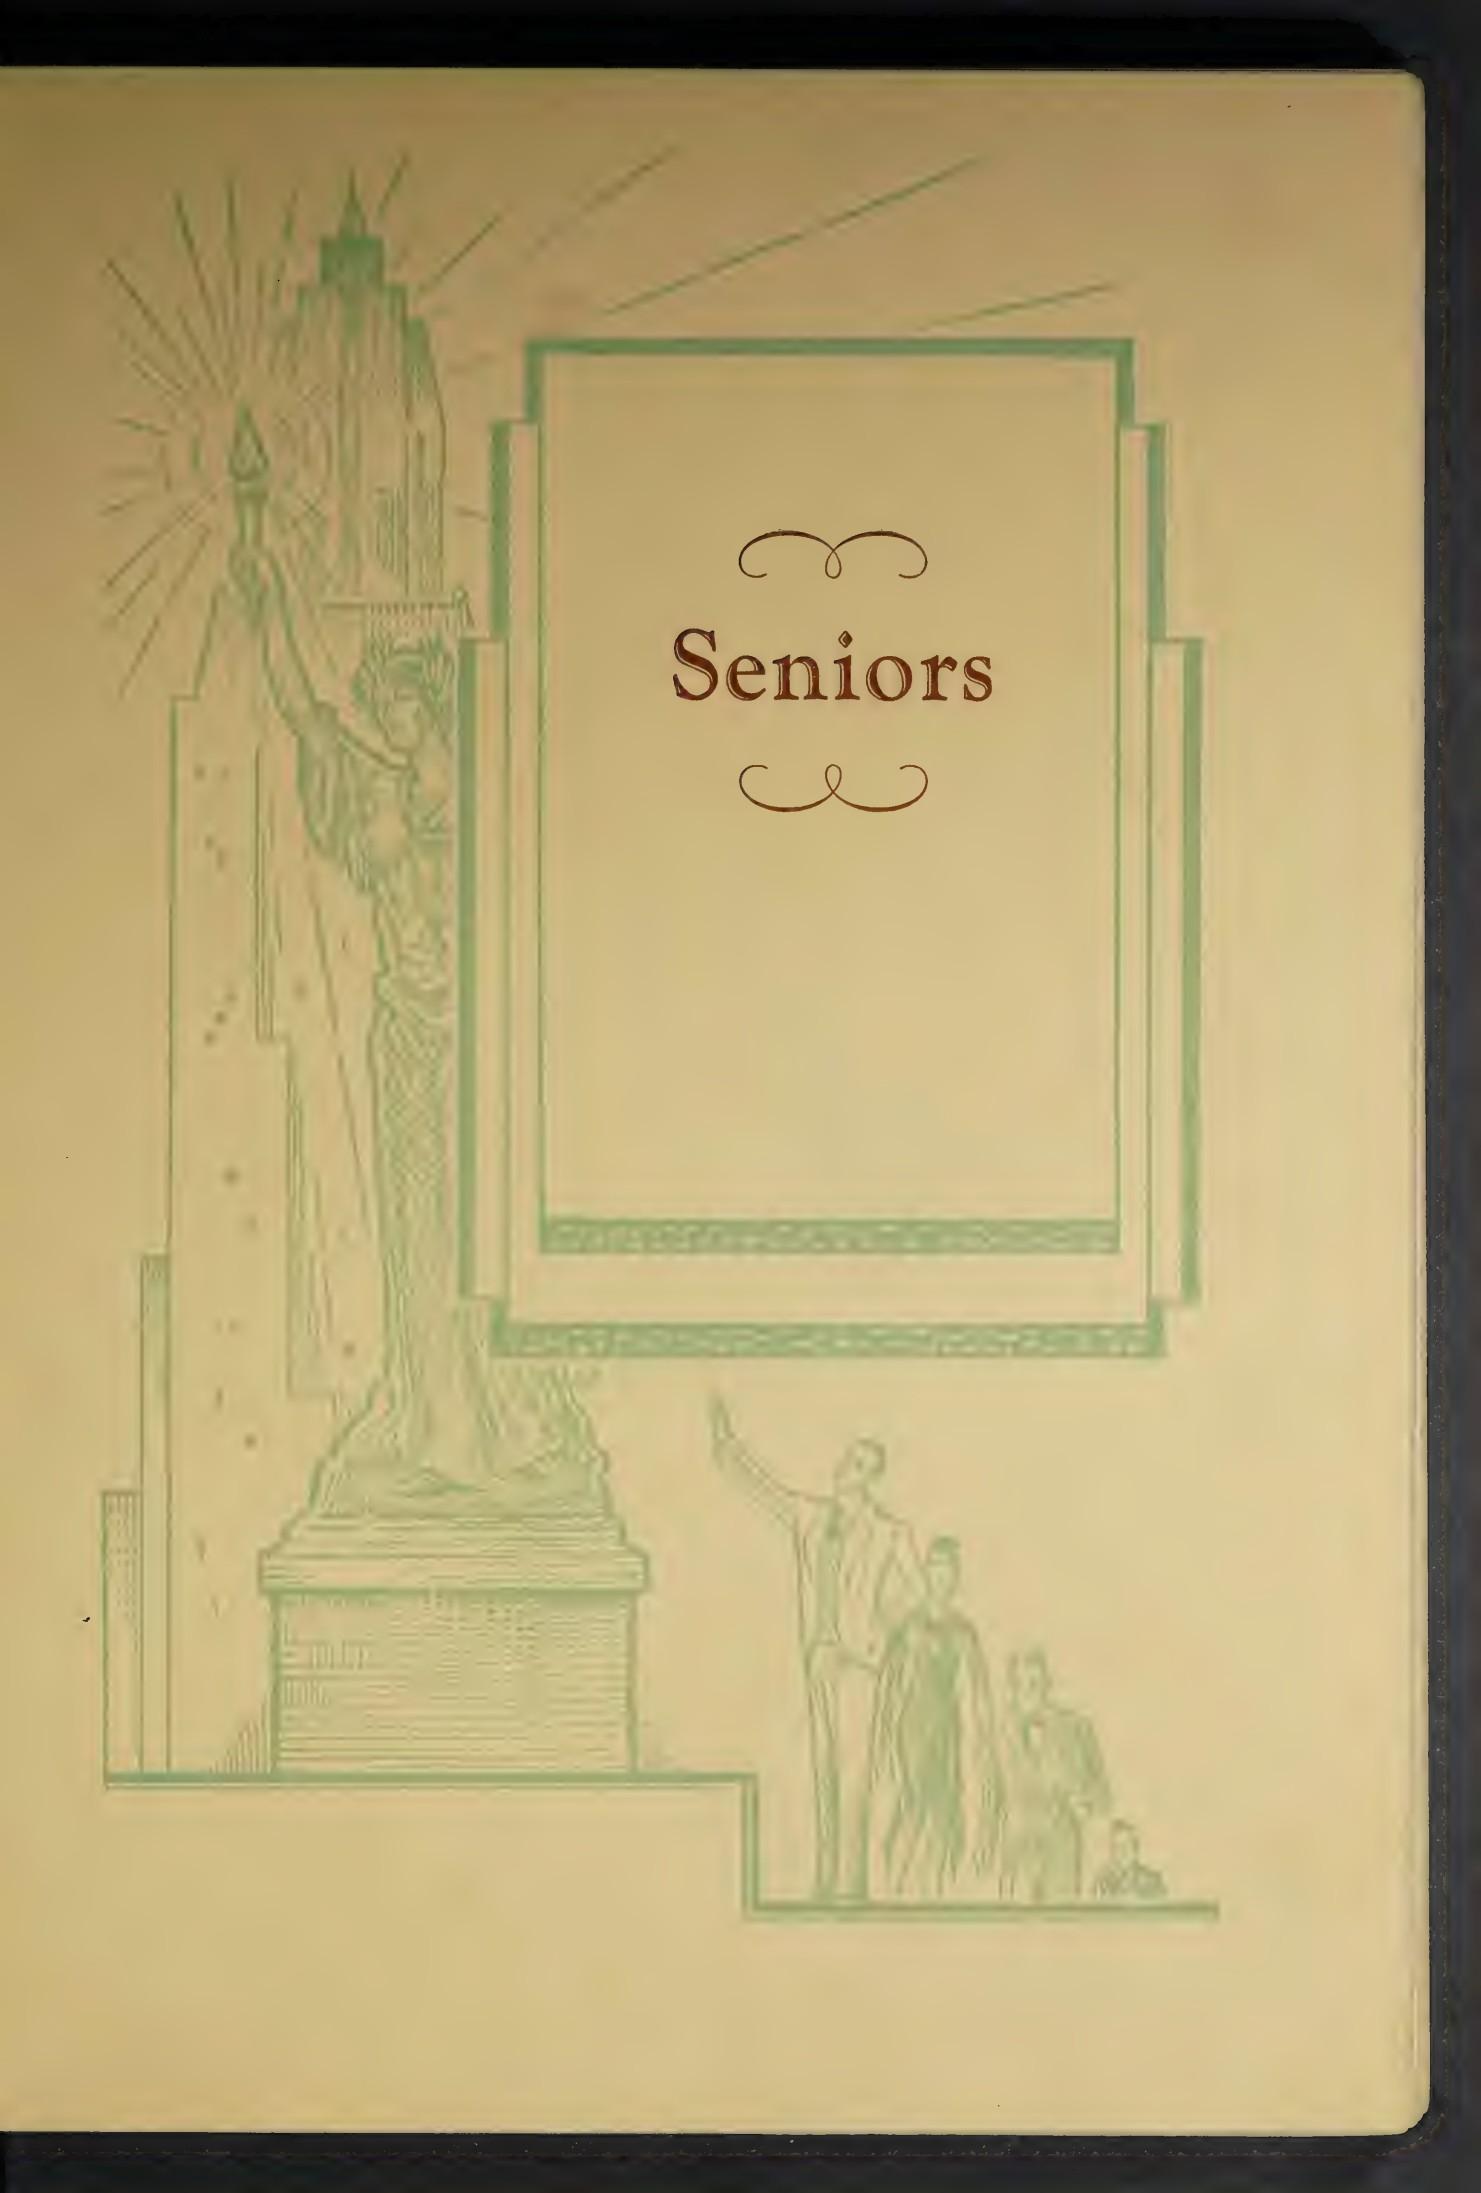

### MARIETTA M. COOVER

The Preceptress of the Girls' and Boys' Dormitories and also a mother to every one of her boys and girls. Her motherly advice is gladly accepted by all who feel the need of someone kind and patient.

SENIORS

CLASS MOTTO: "We build the ladder by which we climb."

## CLASS HISTORY

*To dream the old dreams over  
Is a luxury divine,  
When my truant fancies wander  
To those old schooldays of mine.*

HOW WELL we all love "those old school days," and the pleasant acquaintances they have made us—the fond memories they bring. But all too soon they pass beyond our grasp and slide softly into eternity, while we turn to face the stern responsibilities of life.

In September of 1928, the portals of Beckley College were thrown open to the Class that was destined to make for itself a name that will be revered as long as this institution exists. Immediately we were introduced to Freshman Customs, which we cheerfully accepted as our lot.

We began our numerous social activities by sponsoring a "Customs Away" Dance. This marked the end of our submission to the Seniors, and from then on we assumed the leadership in all activities.

Shortly after this dance, our Class was organized. Three parties were formed, namely the Success Party, the Junior Class Party, and the Equality Party. A bitter campaign was waged, and, largely due to the brilliant campaign speech by Duboise Corsini, the entire Success Party was elected. Our Junior Class officers were:

President . . . . .	EARL MOORE	Treasurer . . . . .	DUBOISE CORSINI
First Vice-President .	ALBERT ELLWOOD	Historian . . . . .	FRANKLIN MATTHEWS
Second Vice-President .	VIOLA DEAHL	Chaplain . . . . .	EDGAR DAVIES
Recording Secretary .	RUTH BLOOM	Parliamentarian .	DALLAS ELLIS
Financial Secretary .	RUTH WAGNER	Faculty Adviser .	DEAN SMITH

To relieve the monotony of study routine, we held a Roller-Skating Party. Also, we must not forget the St. Patrick's Day Dance.

On April 3 we were grief-stricken to learn of the sudden death of our beloved President, Charles R. Beckley. His radiant smile and ever-pleasing personality had won our esteem to a point where his loss was irreparable. May we pause, and say with Fitz-Greene Halleck:

While memory bids me weep thee  
Nor words nor thoughts are free,  
My grief is fixed too deeply  
That mourns a man like thee.

In respect for our honored dead, all social events were postponed for the month of April.

Our Junior Prom, held early in May, was a rousing success, by far the best ever staged in the history of the College. We won our final victory over the Seniors in the Tug-o'-War when our boys pulled them over the line. Commencement came and we bade farewell to Beckley, but we left, filled with the spirit to come back to do better and bigger things next year.

September rolled around and found us back with the same spirit with which we left. This year our Class officers were:

<i>President . . . . .</i>	EARL MOORE	<i>Treasurer . . . . .</i>	JAMES HAMMETT
<i>First Vice-President . . . . .</i>	HOWARD STUTZMAN	<i>Historian . . . . .</i>	FRANKLIN MATTHEWS
<i>Second Vice-President . . . . .</i>	JAMES ROTHROCK	<i>Parliamentarian . . . . .</i>	DUBOISE CORSINI
<i>Recording Secretary . . . . .</i>	RUTH BLOOM	<i>Chaplain . . . . .</i>	EDGAR DAVIES
<i>Financial Secretary . . . . .</i>	RUTH WAGNER	<i>Faculty Adviser . . . . .</i>	PROF. BRUNSTETTER

We opened our social activities for this year by holding a Get-Acquainted Dance at the Casino. Several novelties were introduced this year, namely the Flour Fight and the Class Fight. We lost both of these affairs only by technical defeats, but our power was not shaken, and we still reigned supreme over the lower classmen.

On the morning of October 18 a special meeting of our Class was held. It was with deep regret that we were forced to accept the resignation of our popular President, Earl Moore, who could no longer lead us, due to increased duties which prevented him from fulfilling what he termed "his obligation to his class."

An election for President was held and the choice fell upon Paul Lauver to take up the reins that ex-President Moore had so ably held. Shortly after this an election for Chaplain was necessitated by the resignation of Chaplain Davies. The result was the selection of Walter Marshall.

Our social activities were not allowed to grow lax during this term. A Thanksgiving and Valentine Dance were sponsored by our Class, in both of which we upheld our reputation as social leaders.

In athletics we also reigned supreme, by winning the Inter-class Basketball championship.

The Senior Ball was held March 28, at the Penn-Harris, and was complete in every detail. The remainder of the term was devoted to the social affairs of the various organizations, and passed all too quickly, bringing with them the time of our graduation.

As we glance over our two years spent in Beckley, many fond reminiscences come to our minds. The sun of our career in this institution, which rose in September of 1928, has traversed the cloudless sky of our achievements, and is now setting in the west, but as it lingers on the horizon with a radiant beauty, it foretells that tomorrow of our life, a clear day. And in parting may we say with the immortal Lincoln, "The world will little note nor long remember what we say here but it can never forget what they did here."

*Teacher Training.* Cumberland County Club;  
Commuters' Club.

She cracks the jokes,  
And kids the teachers, too,  
But in her heart  
There is a love so true.

FRITZ, CHARLES / B X A  
Bloomsburg, Pa.

*Accountancy.* Beckley Bible Class.

Always in line for a better time—  
Always yearning for better learning.

"Fee"

Uniontown, Pa.

*Teacher Training.* Pep Club; Glee Club;  
Junior Prom Committee; Neuman Club;  
Trekkers' Club; Druids Club; Fayette County  
Club.

It won't take much prophecy  
To determine Adeline's fate—  
She'll be a great and renowned singer  
On some not-distant date.

## FASSNACHT, ROY

Denver, Pa.

*Teacher Training, Commuters' Club.  
Industrious and studious—sure to be a  
success as a teacher.*

## GEUTHER, REXFORD

## GATH, KENNETH

"Ken"

Jacobs Creek, Pa.

*Engineers' Club; Engineers' Baseball.  
Gath thinks his motorcycle is the most  
efficient of all vehicles.*

## GUTHRIE, PAUL F.

ΦΑΖ

"Paul"

Northumberland, Pa.

*Accountancy, Phi Alpha Zeta Chaplain (2);  
Northumberland County Club; Phi Alpha  
Zeta Dance Committee; Accountants' Club.*

We believe Paul is as good as his father  
(who, by the way, is a minister), although he  
does have a date with a different city girl every  
night. We wish for him as much success,  
comparatively, as he has shown us he is good.

# 1930 PHOENIXIAN

GRIFFITH, ELWOOD  
Edison, Pa.

*Electrical Engineering.* Engineers' Club; Beckley Band; Beckley "Y" Club; Beckley Bible Class; Bowling.

Good natured—like the village blacksmith, he wrongs not any man.

GOOD, LILLIAN

"Dill"

Mt. Joy, Pa.

*Teacher Training.* Lancaster County Club.

Here is a fair miss who is so still,  
Who always likes to be called "Dill."  
She's Good, there is no doubt,  
As we, her classmates, have found out.

HALL, FREEMAN

Butler, Pa.

*Accountancy.* Beckley Bible Class; Beckley  
"Y" Club.

GOSSETT, ELSIE

"Elsie"

Harrisburg, Pa.

*Teacher Training.* Neuman Club; Beckleytonian Staff; Phoenician Staff; Pep Club; Glee Club; Dauphin County Club (Secretary); Senior Tribunal; Aviation.

Her disposition shrinks from rage and wrath;  
Her temper's sweet; her wit can make us laugh.  
She writes in clever style with lots of pep,  
When scribbling prose to help Beckleytonian  
Staff.

B X G

HAMMETT, JAMES / ΩΦΑ

"Jimmy"

Summit Hill, Pa.

*Sales and Advertising.* Omega Phi Alpha (President); Senior Class Treasurer; Beckley "Y" Club; Beckley Bible Class; Carbon County Club; Advertising Club.

The budding romance of "Jimmy" and

*Secretarial Course.* Lehigh County Club.

Here's to Hannah, fair and divine,  
Always out for a good time.  
We wish her success from day to day,  
And may her destination be "Broadway."

## HAMMOND, HATTIE

"Baby"

Emaus, Pa.

*Teacher Training.* Lehigh County Club;  
Commuters' Club (Secretary).

She does look innocent quite,  
But—Oh, when the teachers are out of sight.  
Never idle, never still,  
Teasing always, tease she will.

## HAMOR, DONALD

"Don"

Northumberland, Pa.

*Accountancy.* Senior Tribunal; DeMolay Club; Phœnician Staff.

"Don" may look stern, but he is as cheerful a person as you can meet anywhere. We wonder what a certain girl's telephone bill would be if she were not an operator. We wish him as much success in life as he has attained as a long-distance telephone talker.

She likes to dance and have a good time,  
But doesn't this make her more fine?

This is a vintage postcard. The main image is a black and white portrait of a young man with dark hair, wearing a dark suit jacket over a light-colored shirt. Above the portrait is a large, handwritten note in cursive script. To the right of the portrait is a smaller, rectangular inset containing a portrait of the same young man. The postcard has a decorative border with green and gold patterns.

## JUNIORS

**B**EHOLD the Juniors, better known as the "Frosh," the Class of '31.

The Seniors, known as superiors to the Frosh, were in a panic in regards to Freshman Customs, and it aroused so much spirit through the wonderful coöperation of the "Green Frosh" that it ended in a fight with bare knuckles. After the free-for-all the Juniors still refused to comply with the Seniors' demands, even though there were a few fractures and a score of them were taken to the Police Station in the "Black Wagon."

Then came the inter-class wrestling matches. The organized wrestlers of the Frosh overcame the Seniors in a match on the Island Field, winning three out of four matches in different classes of weight.

The spirit was rising higher, and the Juniors still refused to wear their green dinks and green ties, white socks, etc., which made them look so inferior and lowly to the upper classmen. So the cry of a Flour Fight raged and the following week the entire classes of Freshmen and Seniors were to battle it out on the campus of the proposed new college at Fort Washington. The loyal Juniors circled the Seniors who were guarding their President and three large sacks of flour, which were the Juniors' goal. The gun was fired, and for five long minutes nothing could be seen but a moving mass of beings covered with flour and paste. In those five minutes the Juniors penetrated the ranks of the Seniors and secured the large bags of flour, thus winning the fight.

The Junior Class certainly is to be congratulated for the co-operation of its members. The Seniors of the Class of '30 join in wishing them success in the future.

Paul,

I cannot let you take this book home without at least saying something and if I say much I am bound to break down.

I shall always cherish your friendship as the dearest thing on earth and if it is possible for one fellow to love another, then you know how I feel

Paul I wish you all the success that is possible for one fellow to have and I know down deep in my heart that you will make good. You can't help it.

In the past you have confided in me a great deal and I can honestly say that not a word has passed my lips, so in the future if you feel that you need someone to help you know that I am a good listener.

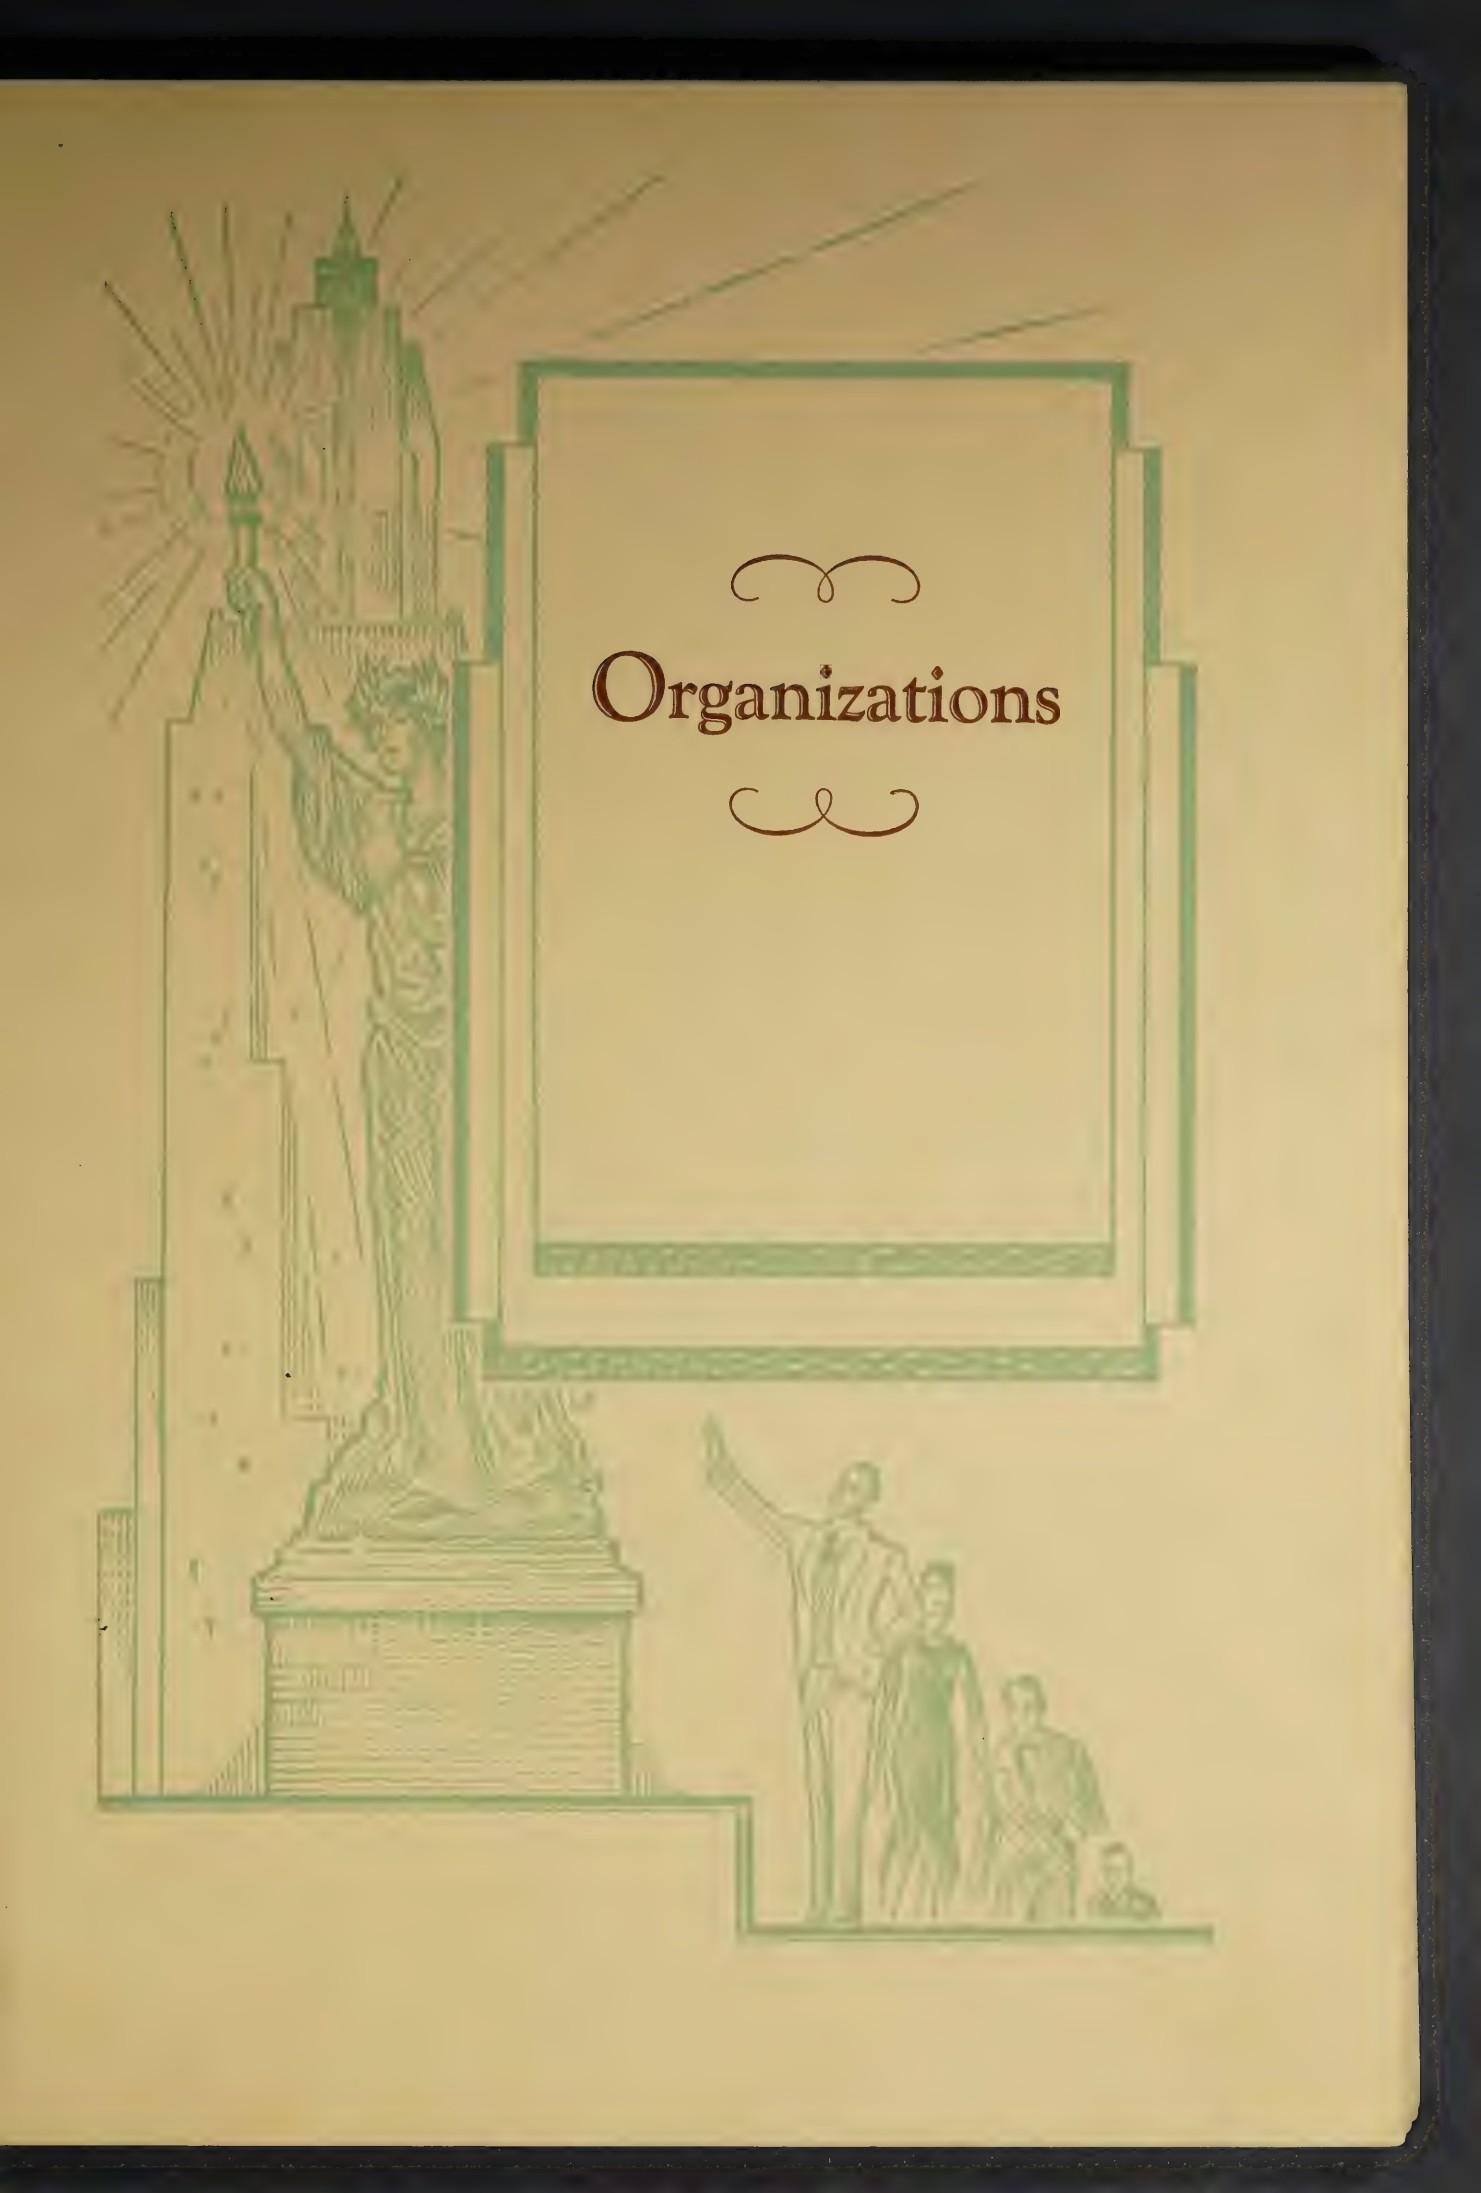

Paul, after we part I do not want you to forget me like an old discarded pair of shoes but use the U. S. mail and I know that for a time at least you will be using the highways. Well good luck and may your married life be a happy one.

If you are as serious in your love making as the girl I certainly am looking forward to a speedy marriage.

I guess this is all now but I hope we see plenty of each other in the future.

Yours Pal,  
W. Norman Dwight Terry Esq.

He was so small and cute that he was called Pee-wee by the boys and a cute kid by the girls. now him up  
go with didn't

## Chi Sigma Kappa Fraternity

**T**HE Chi Sigma Kappa Fraternity is now three years old. It was founded in 1927 and is open to men and women of the College who attain the highest scholastic standing during their school years here. Loyalty to College, moral character, initiative, and professional decorum must also be proved.

From the Class of '27, the five students with the highest standing were taken into this Fraternity; from the Class of '28, four were added; from the Class of '29, three.

This Fraternity furnishes a goal toward which each student can work, and promotes scholarship, ambition, and ideals. When the student reaches this "goal," he is presented with the key of the Chi Sigma Kappa, which should always keep him mindful of that which he has set out to do. Having received this "key to life," he should leave his Alma Mater with the motto—"Conquering and still to conquer."

## Beta Chi Alpha Fraternity

THE Beta Chi Alpha Fraternity is the oldest and largest Fraternity in Beckley College.

The organization, founded in 1922 by eight students who were scholarship men of the school and of the best talent that could be found, had their house at 211 North Front Street. Later in the year the late Charles R. Beckley became a member, as well as other distinguished members of the faculty.

Each year the Fraternity became larger and stronger, which made necessary a new house. In 1925 we moved to an ideal Fraternity house at 911 North Second Street.

Old Beta Chi Alpha is always leading in many of the school activities and functions and is operated in all departments solely by the Brothers.

The standing of the Fraternity is kept by its loyalty and coöperation with the school and other organizations. Owing to its success, we have at the present time over five hundred members, whom we can depend on at all times to be regarded highly for that morality and loyalty which stands out in any great organization.

## Phi Alpha Zeta Fraternity

THE Phi Alpha Zeta Fraternity of North America is located at 610 North Third Street, just opposite the grounds and beautiful buildings of the State Capitol of Pennsylvania.

Phi Alpha Zeta is the only National Fraternity in Beckley College. In 1925 a group of ten members from the Grand Chapter of Phi Alpha Zeta assembled in Harrisburg for the purpose of organizing the Tau Chapter. The result of the assembly found 26 men meeting the requirements of the Grand National Chapter. These are known as the charter members.

At this time the Alumni Association has an enrollment of 136 members and 44 active members in school this year. This Fraternity is noted for its social and athletic activities, scholastic standing, and the type of men it selects for its members, making "Old Tau" one of the strongest in the National organization.

## Omega Phi Alpha Fraternity

THE advent of the present school year found the Omega boys located in their beautiful new Fraternity home at 2041 North Second Street. It was with the spirit to "carry on," to follow in the footsteps of our illustrious predecessors, who had builded this organization to heights where its leadership was no longer challenged but accepted, that we began this year which was to prove so fruitful to our cause.

With the opening of pledging season, a series of smokers was held, and each man carefully scrutinized, for only those of highest ideals are acceptable to our organization. Our first social function of the year was a Pledge Dance at the Coliseum on November 15. At this we entertained the men pledged to our Fraternity.

On the night of January 14, twenty-one of these men were initiated into the brotherhood of Omega Phi Alpha. These were the ones who endured the hardships of pledging season and proved themselves worthy of our cause—those who are to hold the destiny of Omega Phi Alpha when we have departed from this institution—and we feel that these men of our choice will come through nobly and will continue to uphold the high ideals of the Cardinal and Gray. On this same night we received, as honorary members, Dr. Gordinier and Professor Pepperman.

With the opening of pledge season, we held another Pledge Dance on February 28, at the Civic Club.

Our athletic activities for the year were of a high standard. We were defeated for the championship of the Basketball League only after a hard-fought post-season game which was necessitated by a tie at the end of the regular season.

We completed our membership roll for the year by receiving eight more men on the night of April 1.

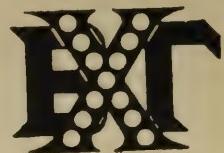

And now we are faced with the stern reality of parting, but this will be in name only, for there is an inseparable tie that binds the hearts of Omega Phi Alpha men with the true beauty of fraternal love—a tie that can never be broken. It is with conscious pride that we point to our Junior brothers, with the knowledge that they will keep the Cardinal and Gray flying, as ever, in the lead.

## FOOTBALL

THE football team of Beckley College was under the sole supervision of George Snell, former Penn State star. With only four lettermen left from last year's squad, Coach Snell had to begin the season within two weeks after the opening of the school term.

With an abundance of new material, and veterans like "Joe" Roll, "Vic" Angell, "Whitey" Dunsevich, "Girst" Dunkle, and "Snaps" Kearns, flashy half-back, Coach Snell had a bright outlook for a successful season.

There were twenty-eight men working strenuously for two weeks to gain a berth on the Varsity team, and Coach Snell had no easy task selecting a starting lineup for the Millersville game, to be played away from home.

On September 28, Beckley College was the opponent of the highly touted team of Millersville State Teachers' College. The game opened with the usual "bang" of the gun, and the first quarter visioned fighting on the part of both teams, with the determination in their hearts of putting the ball over the goal-line. Clashing of head-gear and shoulder-pads was the noise of the battle. In spite of the hopes

that the State Normal men had of pushing the ball across the line, Randis, right tackle, mowed the men down, which sent them into retreat. At the end of the third quarter we had the 2 downs and 5 to go, but the defense was shoulder to shoulder, making it impossible for us to score. The last quarter was a film of technical football on the part of both teams. The teams pounded and fought vigorously near the 30-yard line as the game ended in a tie, 0-0.

Inspired by the great showing the team made against the veteran team of Millersville, Beckley College lined up on the island field against Drexel Frosh. This marked the opening game at home, and the whole student body was back of our team, looking forward to a game which Beckley College could not lose.

The whistle blew and Drexel received the ball on our 30-yard line, but was later forced to kick as the vicious playing of Maciantonio, Angell, and Dunkle on the defense smothered their inferior opponents. Beckley received the kick and the fleet-footed "Mashy," from Mt. Carmel, carried it back 25 yards before he was downed. The teams lined up, and Beckley continued its drive for another first down up to the 5-yard line, only to suffer a "bad break," with fumbling the ball and Drexel recovering.

The battle see-sawed up and down the field and the teams were near the center of the field as the half ended with Beckley in possession of the ball. The second

half marked a drive that Beckley students will long remember. With Sanders, Kearns, and Maciantonio carrying the ball, and wonderful cooperation of the line, Kearns carried the "oval" over for the first score of the game. Kearns also made the kick good and the score stood 7-0, Beckley.

In the fourth quarter the battle waged evenly up until the last two minutes of play, when Beckley had the ball within scoring, but the plucky Drexel Frosh held them back, and the game ended with a glorious victory for our Alma Mater.

Fresh from their victory over Drexel, Beckley marched onward to meet the Teachers at West Liberty, W. Va. They had a highly touted team to back, but the minds of the fighting Beckley warriors were filled with thoughts of victory.

Coach Snell had practically the same team against the Teachers, and the game seemed somewhat even, until the hard drives of line-plunging, and off-tackle plays could not be stopped. The game was marked with deadly tackling by Dunkle, Angell, Randis, and Zegarski, which kept the score at the first half 7-0 in favor of the Teachers.

The second half saw a fighting team on the field from Beckley as our ball-toters, Sanders, Kearns, Graham, and "Mashy," put the ball in scoring play, and the aggressive Maciantonio carried it over for a touchdown. The last quarter the West Liberty Teachers smothered the Beckley crew, but the players were fighting in a

dying spirit, with the breaks against them, and the game ended with the score 19-7 in favor of the West Virginians.

On October 19 arrived the day to pair up with our greatest rival, Villa Nova. The spirit shown on the part of students, in the usual way of getting Villa Nova's goat by the fraternities parading up and down the field with the "Goat," was marked with enthusiasm and was a great battle for the fans. Cheering resounded that day as it never did before. Villa Nova also had a number of followers with them and cheers were exchanged. As the whistle blew, Villa Nova received and started a drive that soon gave them a touchdown, when Megan, husky fullback for the Wildcats, rushed the ball. The Mainliners outweighed our boys, but our hard tackling could be heard in the grandstand, as the husky shoulders of O'Brien, Dunkle, Klemanovich, Lunchem, and "Tiny" Wentz met those of their opponents, indicating that the spirit the students were showing was encouraging them, and at times they kept Villa Nova's drive checked. Then Beckley received a break in the third quarter which helped them in going down the field, but they were stopped by the airtight defense of Villa Nova on the 15-yard line. Villa Nova received the ball, again marching down the field for another touchdown, the score being 14-0. The students pleaded for a touchdown, but the team was held back by the stone-wall defense of their opponents. The last quarter saw McFadden and Peterson of Villa Nova march

down the field to score another touchdown. Angry, the Beckley eleven started a drive, only to be too late as the whistle blew, and it spelled defeat again, 21-0, the biggest set-back of the year.

The following week, on October 26, came the game with the Temple University Freshmen, who were undefeated thus far. They boasted of a very brainy backfield in Walker, Cruby, Whitcock, and Destori, that the Beckley linesmen had to stop before the game was lost. The first quarter the teams seemed to share honors evenly but the second quarter Beckley missed the opportunity two times of scoring by fumbling the ball, to have it recovered by Temple. The University Frosh started a barrage of off-tackle plays and end runs which kept the Beckley line busy and which caused Smith, our husky guard, to receive a head injury which took him from the game. "Whitey" Dunsevich, the sorrel-topped guard of last year's eleven, was injected into the fray after being out several weeks with a broken hand, but his playing still seemed as hard as ever. In the third quarter the Temple crew carried the ball over for a touchdown which was all the scoring done during the game. Our boys battled in vain, being aided by Masciantonio running wild but having no breaks, and the game came to a close with victory being only a few yards away. The game was a moral victory for Beckley, as our team outfought and outplayed Temple, and all the players were still plugging as the season was soon to close. The score, 6-0 Temple.

With a 6-0 defeat by Temple, Beckley marched on the field with a determination in their hearts to achieve victory—to break the walls of the Bucknell eleven. The first half was a shoulder to shoulder battle, resulting in Bucknell working their men through with a 6-0 score. The second half was interesting for both teams. The

Bucknell team had a backfield that outweighed the Beckley ball-carriers, and they seemed to take advantage of our secondary defense as they began an aerial attack that netted them good yardage. Maximaviez to Young gained three successful passes, for another touchdown, 12-0 at that stage of the game, and Beckley with a new spirit, coupled with a break now and then, began a march down the field through the plunging of Graham and the running of ends by Masciantonio, who seemed to carry honors all season in the backfield for Beckley, put the ball on the 3-yard line where Kearns carried it over for a six-point marker. The score stood 12-6 in the Bisons' favor, but the Beckley eleven continued on a drive that looked like another touchdown and victory, but a bad break came as they were again on their 8-yard line, and the game ended only to spell defeat through a matter of time. The score tallied 12-6, Bucknell.

We closed the season with a 6-0 defeat, not because of a poor showing of football on our part, but because several of the regulars were not on the gridiron. In this game with Ursinus we want to give Angell, Dunkle, Randis, and Kearns credit for the most vicious game they have displayed on the football field. In the first half, Dunkle and Kearns plowed a furrow right through the wall of victors, but were unable to put it across. On the defense in the second half, Randis and Angell devoured man after man. "Hit 'em hard" seemed their thought from the expression on their faces. In spite of the brawny men, Ursinus kept pushing the pill across for victory, ending the season with the consolation that they have showed the fans a good game.

Although losing five games, tying one, and winning one game, the team cannot be overlooked as the players fought hard all season and gave their best at all times to raise the standard of their Alma Mater. We hope that the same team is with us again next year, and we will look forward to a great year on the gridiron.

# Aviation

AVIA TION

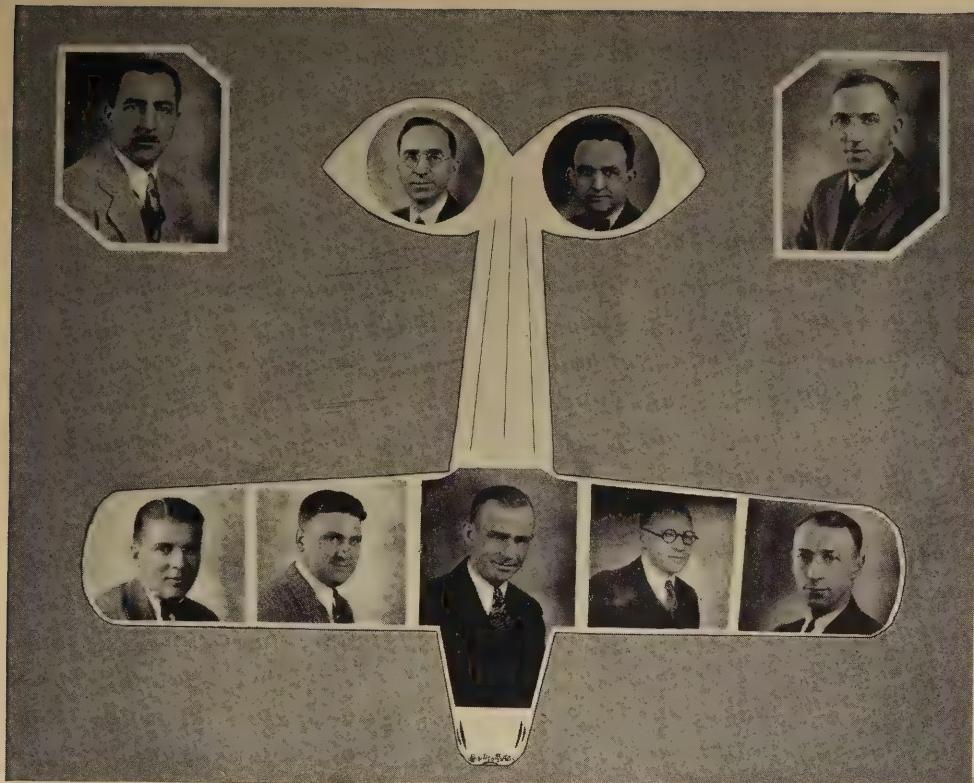

## AVIATION

THE Aviation Course in Beckley College was developed by President Beckley, Dean Smith, and Walter Hoffman, a former graduate of Beckley College, after many conferences with the heads of the various aeronautic branches of the Department of Commerce at Washington.

Many outlines were considered, both of Army and Navy Courses, but even these had to be rearranged to conform with the educational system, due to the fact that aviation hours and requirements of subjects are important factors for the various state requirements. All this was carefully considered for this development which has attracted the attention of many universities of our land.

Beckley College operates its own flying-field  $2\frac{1}{2}$  miles outside of Harrisburg and uses for this purpose 122 acres, which provide excellent turf runways. Four different types of planes are used for student instruction.

WALTER A. HOFFMAN

**M**R. HOFFMAN has had a varied experience in commercial aviation. He took special work at Little Rock, Ark., after his graduation from Beckley College. He is a licensed pilot, mechanic, and instructor, and has traveled over many states by air, in research work for schools.

**M**R. EATON, Transport Pilot, learned to fly at Marshall, Mo., and soloed after only four hours of dual instruction on war type training plane, breaking record of four years' standing at Marshall Flying School. He is the owner of the ninth airplane licensed in Pennsylvania.

Mr. Eaton holds a Pennsylvania A. and E. Mechanics' License, No. 4, and also holds an Instructor's rating for approved school.

ALTON F. EATON

HAROLD BACHMAN

**M**R. BACHMAN was a pioneer in the glider industry, having worked with and flown gliders since 1914. He has been actively interested in commercial aviation for the past six years, during which time he designed and built a plane. He is a Government licensed mechanic, pilot, and instructor.

## JESSE PROENIGIAN

CAPTAIN JENSEN has been in active aviation since he was eighteen years old. He formerly owned and operated the largest flying school in the country, and also served in the Navy Air Service.

He is the holder of several world records, among them being: World Solo Record, World Altitude Record, World Record for lifting heaviest weight with Wright Motor. He was one of the winners of the Dole Flight across the Pacific Ocean to the Hawaiian Islands. The United States Government awarded him a medal for being the only pilot to fly over the ocean through night and fog, and live to tell it.

He designed and built a training plane which was faster and safer than any other of its kind. At present he is head of Aeronautical Engineering Design and Flight Instruction.

## Business Administration Class in Conjunction with Advertising Sales

**D**UE to the fact that the Advertising Department of the Phoenician Staff was unable to sell sufficient advertising space to make possible the complete financing of this publication, the senior Business Administration Class volunteered to shoulder that responsibility. The class was organized as a working sales force under Walter Shreffler as sales manager, and all college class work was abandoned during the drive.

Under the impetus of rivalry between the two teams, the Blues captained by "Jimmie" Hammett and the Reds captained by Douglas Harter, the goal was reached in two and a half weeks.

The individual high man was John Sprankle with over \$100.

The rest follow in order:

LONGWELL . . . . .	2d	JOHNSON . . . . .	9th
HARTER . . . . .	3d	HAMMETT . . . . .	10th
HARLACKER . . . . .	4th	GUETHER . . . . .	11th
RAMSIER . . . . .	5th	WINTERGRASS . . .	12th
HUBER . . . . .	6th	SCHOOLEY . . . . .	13th

## School Days ↞

. . . THEY cement many lasting friendships. Soon you and your classmates will take different roads, and it may be years before some of you meet again. School days do not last forever—and when they are past, memories are kept warm by the photographs of friends and pals of the classroom and campus.

Your chums should have a "personality portrait" of You, and you will prize theirs in return. In a year or so you'll be glad you took this means of keeping alive the memories of your school days.

And the home folks will always cherish a portrait of the "turning-point" in your life.

( THIS STUDIO is the headquarters for the best in photographic work and the doors are open to the students of Beckley and their friends. Why not arrange to come to the studio now and have that photograph taken? )
